We have several pieces of news to share with you!

POOL MEMBERSHIPS

YOU CAN STILL RESERVE YOUR SPOT!! Come and check out our great new DRAGON and TUMBLE BUCKETS water toys!! We have added great new shade umbrellas at the water's edge as well as a new Café menu and lots of fun summer gear in our pro shop! **THIS IS THE PLACE TO BE** this summer - we are close by, have lots of summer fun and can save you hundreds of dollars in expensive gas!!

PARKING

Please note that we are now asking all Members to park in the lots that we have on our own sites and will **NO LONGER** use the SALADIN at EAST HILLS or the LAKE MICHIGAN ACADEMY lot at the MAC for Member Parking. This is simply because we have plenty of on-site options that will get you in the door for your workout. **Please do not park in our neighbors lots!**

LOOKING FOR SUMMER ACTIVITIES FOR YOUR KIDS???

We have several great camp options for you at OHSS this summer. Check out the summer activity guide to find dates, themes and times that work for your child's schedule. We have half day, whole day, gymnastics and sports camp options. There is a wonderful camp experience just waiting for your child at Orchard Hills!! Call 224-8700 today for more information.

CONSTRUCTION AT EAST HILLS THIS SUMMER

We will be updating our Front Entrance, Lower Northwest Parking Lot and installing a Pedestrian Walk-way from the lower lot to the entrance of the club. There will be several other improvements included in this renovation including new parking lot lighting and handicapped parking and access. We are excited about our **"new look"** and will keep you posted on the progress. The entrance should continue to be accessible at all times throughout this renovation. We ask for your patience and understanding in advance as we think the results will be well worth the slight inconvenience during the project.

Thanks for your continued patronage! Have a great summer!
